

EDIT BEEEEEER

BREW TENDER GUYS

Nasciamo dall'amore per la birra e vogliamo trasmettere la nostra passione a chiunque entri in EDIT.

MAKE BEER(S) POPULAR è la nostra missione: trovare la birra perfetta per ciascun cliente.

La Brewery ospita le nostre birre prodotte in EDIT e quelle ritenute essere la selezione migliore e più divertente di birre italiane e straniere, giochiamo a ruotare periodicamente le spine ospiti, le lattine e le bottiglie.

We were born loving beer and we want to share this passion to whoever enters in EDIT.

MAKE BEER(S) POPULAR is our mission: to find the perfect beer for everyone.

The Brewery host the beers brewed in EDIT and the ones that we consider the best and funniest selection of Italian and foreigners beers, we play frequently changing the guest taps, the cans and the bottles.
